The Harobande Lake covers about 80 acres and its periphery is about 3 km. This vast lake is a perfect spot for early morning trail walks, while there is ample flora and fauna for the avid nature lover.

More time to family, less time for traffic.

Bengaluru's average traffic speed hovers around 14-15 km/h during peak hours, making even 10km journeys take over 30-40 minutes, placing it among the world's most congested cities. Not to mention the stress and road rage one encounters. Sri Lakshmi ACN Lake Point is strategically situated away from this mess, giving you stress-free and quality time for yourself and your family.

Get to work in peace during weekdays, and sneak in and out of Bangalore in stealth mode during weekends.
